

## LOW PRICE GUARANTEE

*The Hayter Group. Your comfort & energy experts since 1952. We will NOT be undersold!*

We believe that no one offers the same thorough, comprehensive design, field assembly, installation and warranty at the same price point as The Hayter Group. If another company provides you with an estimate that is less than The Hayter Group for identical products and services, show us the estimate and we can match it. If another company provides you with an estimate for similar products and service, show us the estimate and we will match that price providing equivalent products and services. We will NOT lose a customer over price. If you want to work with us, **we will** find a way to do business together.

Our price match guarantee is good on the installed products. The price match applies to products installed by a licensed contractor with licensed technicians. The estimate must be for the same quality, quantity, installation, warranty and service ability. We will match the price when the products included in the estimate are the same brand and model number, and include the same additional equipment, accessories, and service. This offer is excluding used equipment, non stocks, custom, discontinued damaged or close out items. If a competitive estimate is for different brands, models, additional equipment, accessories or service, we reserve the right to substitute equipment we believe to be equivalent.

We reserve the right to verify another company's product availability and price before issuing a price match. We also reserve the right to limit the price matching to companies that are licensed authorized resellers for the brands in question and with proper TSSA registration. Our lowest price will be determined after all discounts and rebates have been applied. We reserve the right to limit the quantities of any item subject to a price match.

If you find a current published price lower than The Hayter Group that you feel qualifies for a price match, please call us at 1-877-HAYTERS, email to [hayters@hayters.net](mailto:hayters@hayters.net) or send a fax to 519-898-9940. We require a copy or picture of the full quotation along with an expiration date. Our price guarantee expires 14 days from the estimate date. This policy is subject to change without notice. See reverse for additional details or feel free to call us.
